

The background is a dark blue/black gradient with a complex pattern of glowing blue lines and arrows, suggesting a digital or technological theme. The lines and arrows are arranged in a way that creates a sense of movement and connectivity.

NEXTEN SUMMIT

Dakar, Senegal |

DECEMBER 3 – 5

STRATEGIC NOTE

1. CONTEXT AND JUSTIFICATION

Africa stands at a crossroads. While the continent faces significant challenges — from youth unemployment to underdeveloped infrastructure — it also holds immense potential in its growing digital ecosystem, entrepreneurial talent, and demographic dynamism. The integration of emerging technologies like AI and Blockchain can serve as powerful catalysts for inclusive development, governance modernization, and economic transformation.

The NEXTEN Summit 2025 emerges as a strategic response to this opportunity. It aims to bridge public and private actors, local and global voices, and foster an ecosystem of trust, investment, and collaboration.

2. OBJECTIVES

- Showcase and accelerate Africa's leadership in AI, Blockchain, and decentralized finance
- Connect African startups with global investors and institutions
- Promote collaborative models between governments, corporations, and innovators
- Encourage youth participation in the digital economy
- Launch tangible initiatives like NexCF and NexLab for long-term impact

3. METHODOLOGY

The summit will combine keynote speeches, expert panels, masterclasses, breakout sessions, and startup pitch battles to create a dynamic learning and networking environment. Sessions will be structured by thematic days (AI Governance, Blockchain & Defi, Innovation), with opportunities for interaction between stakeholders in both formal and informal settings.

4. EXPECTED RESULTS

- Strengthened networks between African innovators, investors, and policymakers
- Increased visibility and support for emerging startups
- Concrete investments initiated through NexCF
- Public-private partnerships around AI and blockchain applications
- Raised awareness on inclusive tech-driven development

5. AGENDA

- **Day 1:** Artificial Intelligence for Governance & Development
- **Day 2:** Blockchain & Decentralized Finance
- **Day 3:** Innovation, Investment & Startup Ecosystem

Each day includes: 30-minute panels, 1-hour masterclasses, parallel breakout sessions, keynotes, networking, and special events like the Pitch Battle and Diaspora Roundtable.

6. TARGET PARTICIPANTS

- Government officials and digital transformation leaders
- African and international investors
- Startups and tech entrepreneurs
- Corporate innovation leaders
- Members of the African diaspora
- Youth and students
